

Home Safety

Test smoke alarms monthly.

☐ 1

Know two ways out of the house.

☐ 2

Decide on a place for your family to meet after you're outside of the house.

☐ 3

Keep guns unloaded and locked up.

☐ 4

Always supervise children near water.

☐ 5

Set water thermostat to 120 degrees F or less.

☐ 6

Install carbon monoxide detectors.

☐ 7

Keep the National Poison Control Center hotline number by each phone: 1-800-222-1222.

☐ 8

Keep all cleaning products, medicines and vitamins out of children's reach.

☐ 9

Keep all knives and sharp utensils out of children's reach.
